

CITY OF BANGOR
PARKS & RECREATION

Parks & Open Space Seasonal Ranger

The Parks and Open Space Seasonal Ranger is responsible for providing an efficient customer service-oriented experience. This is achieved by ensuring a well-maintained environment and quick response to the general public needs. This position works under the direct supervision of the Lead Park Ranger but will receive specific instruction on non-routine tasks.

Duties include:

- Patrol parks, trails, green spaces and other open spaces by motor vehicle, bicycle or foot.
- Monitor and enforce proper use of City facilities, parks, and open spaces by public users.
- Report discrepancies, problems, recommendations and needed maintenance to the Parks and Recreation Lead Park Ranger.
- Educate and advise the public on City ordinances and policies relating to park and open space use.
- Log and report contacts with unsheltered individuals to the Lead Park Ranger.
- Maintain daily patrol log
- Patrol designated areas throughout the City at specified times as a deterrent to vandalism.
- Must be available to work a flexible schedule including evenings, weekends, and holidays.
- Supplement Parks and Recreation staff for activities as needed.
- Monitor two-way radio.
- Responsible for answering general questions from the public regarding park amenities.
- Perform occasional maintenance duties as needed.

Starting pay is \$14.79 per hour based on a 40-hour work week. Applications and resumes must be received at the City of Bangor Parks and Recreation Office, 647 Main Street, Bangor, Maine 04401 or may be sent via email to apply@bangormaine.gov.
