Bangor Parks & Recreation Youth Cheer 2026

Attendance & Team Commitment Acknowledgement

Bangor Recreation Cheer is a **team-based program**. Each athlete plays an important role in the team's stunts, formations, transitions, and competition routine. Consistent attendance is important not only for your athlete's individual development, but also for the safety, progress, and preparation of the entire team.

By registering my child for Bangor Recreation Cheer, I understand and acknowledge the following:

- **Regular attendance is expected** at scheduled Sunday practices throughout the season.
- Practices are scheduled for **Sundays from 5:30–7:00 PM**, beginning November 1, 2026, and continuing through the competition season.
- **Additional practices may be added during competition weeks or in the weeks leading up to competitions.** Families will be given advance notice whenever possible.
- Athletes are expected to participate in the team's **scheduled competitions**, as competition routines and formations are created based on the participation of the full team.
- I understand that illnesses, emergencies, and unavoidable conflicts may occur. If my child will miss a practice or competition, I agree to **notify the coaching staff as soon as possible**.
- I understand that repeated or uncommunicated absences may affect my child's **position, stunt group, formations, or role within the competition routine**. Changes may be necessary to ensure the team is prepared to safely perform and compete.
- I understand that participation in this program requires a **season-long commitment** from both athletes and their families.
