Skiing

Level 1: Never ever beginner and/or cannot come to a stop on their own. They will be in the beginner area learning the basics of balancing and gliding on the snow

Level 2: Can stop and glide in a wedge and are working on turning and getting up on their own. They take their first ride on the chair lift after mastering the beginner area

Level 3: Can link turns and make and hold different size wedges for control on different terrain. Can ride the chair lift with confidence and ski green terrain (slow poke and lazy lane). Is ready to learn beginner parallel turns (wedge christies and skid turns)

Level 4: Can ski harder green and easier blue trails using wedge christies and/or open parallel turns. Working on parallel turns on blue trails and ready to learn to use poles

Level 5: Can make open parallel or skid turns on all blue trails and are beginning to explore groomed black trails (cloud 9). Are working on advanced/dynamic parallel turns on steeps, in bumps and on ungroomed trails. This skiers focus can be to master the art of carving turns (racer style) on the groomed trails

Snowboarding
